Division Descriptions:

- Regular Division:** This Division is open to all dogs, 18 months of age or older, as described within the current AAC rules.
- Specials Division:** The Specials Division shall be open to all dogs. Once a dog has entered an official trial in the Specials class, they may no longer compete in the Regular class unless the handler makes a special application entitled "Request for Official Move from Specials Class Level to Regular Class Level". This move may only be done once during a dog's career. A dog competing in the Specials Class is eligible to move to the Veteran Class level.
- Veterans Division:** This Division is for dogs seven (7) years of age or older. This class is also open to dogs five (5) years of age or older who have been competing in the Special class level for a minimum of twelve (12) months.
- Single and double drop veterans are separate classes. Single and double drop dogs are separated for the purposes of scoring. The 18" and taller double drop veterans will be given Open Veteran course times, while the 12" or under double drop veteran dogs will be given Mini Veteran course times. Example – If your dog measures in the 18" - 22" Regular class, you have the option of jumping 16" in Specials or when eligible, 16" Veterans Single drop or 12" Veterans Double Drop, and in either case will run by open times.
- Junior Handler:** This Division is open to handlers under 18 years of age, as described within the current AAC Rules, with a valid Junior Handler identification number. Junior Handlers may run under Junior Handler rules or as a Junior Handler under regular rules. If under JH rules, titles are awarded to the Junior Handler, not the dog.
- FEO:** For Exhibition Only – Open to all dogs 18 months of age and older with an AAC ID Card, as described within the current AAC Rules. The handler can choose to enter a dog FEO in any division, any class and/or any height but they will not be competing for placements, titles or prizes and the results will not be reflected on the dog's permanent record. See Rule 2.5.1

Class Descriptions:

- Standard Class:** This class demonstrates proficiency on all agility obstacles in a numbered course.
- Gamblers Class:** This game demonstrates the handler's strategy and the dog's ability to work at a distance from the handler. The object of the game is to accumulate as many points as possible during the opening sequence and successfully complete the Gamble.
- Snooker Class:** This game demonstrates the handler and dog's versatility as they work together against the clock. The object of the game is to accumulate as many points as possible by successfully completing as many obstacles as possible in the prescribed order and within time.
- Jumpers Class:** This game demonstrates a dog's natural jumping ability. The dog is required to complete a course comprised of jumps and tunnels as prescribed by the judge.
- Steeplechase:** This game demonstrates the dog's ability to run and jump at high speeds while maintaining control on the A-frame and weave poles. This class is open to all dogs eligible to compete in other AAC qualifying events at the Starters, Advanced or Masters Level.
- Team Relay:** This game consists of 2 dogs, each with a different handler. The game demonstrates team spirit, strategy and sportsmanship.
- Challenge:** This class demonstrates the dog and handler's ability to maneuver, at speed, through a standard course designed more to world and international levels.

Additional information about the classes and title requirements is available in the AAC Rulebook, available online at www.aac.ca.

Notice to Competitors:

Competitors, through submission of entry, acknowledge that they are knowledgeable of AAC Rules and Regulations, including but not limited to the following:

- This event will be held in accordance with the current Rules and Regulations of the Agility Association of Canada (AAC). The obstacles shall be chosen from those described in the current edition of the rules and regulations of the AAC and shall conform to AAC specifications.
- This event is open to all dogs being at least 18 months of age, purebred or mixed breed, except aggressive dogs, or dogs suffering from any deformity, injury or illness which may affect the dog's physical or mental performance (Judge's discretion.)
- **All dogs must have an AAC number before their entries will be accepted in an AAC sanctioned trial, which must be produced at measure in. Dogs with numbers pending will not be eligible to compete.** Any dog without a card, under two years of age, or without an official measurement on their ID card must be measured before competing. A dog over 22" at the withers can have a signed ID card before two years of age.
- Competitors whose dogs measure up may run For Exhibition Only (FEO) if the dog is not prepared to jump the higher heights. No qualifying scores or awards may be earned.
- **FEO Runs:** AIM accepts For Exhibition Only (FEO) runs. Dogs entering FEO runs must have a valid Dog ID Number and meet all other AAC eligibility criteria. An FEO dog is permitted to run at any jump height, in any class, at any performance level and in any category at the handler's discretion. A dog may not enter a class as FEO if they are also entered in the same class for qualification. In accordance with AAC rules, toys will be allowed in the ring during an FEO run. Toys may be of any general configuration, and must be in a good state of repair (no fur or stuffing coming loose.) Handlers are permitted to interact with their dog during a run by tugging with the toy. **Food, toys containing food, audible toys, and audible training aids (ie. Clickers, whistles) are NOT permitted in the ring.** Please be considerate of the dogs competing on course before and after you as the toy may cause a distraction.
- If you are sending entries by express carriers, you **MUST** waive the signature requirement for receipt (make sure the carrier allows this), otherwise entries may not be received in time and will have to be rejected. **No phoned or faxed entries will be accepted.**
- Entry forms may be photocopied, and all submitted entries **MUST** include the entry form, agreement and signature in their entirety.
- Entries and payment must be received by the closing date and are payable in Canadian Funds.
- Agility in Manitoba (AIM) reserves the right to refuse any entry for cause which they deem sufficient.
- Overpayments of \$10.00 or less will not be refunded.
- By AAC rules, entries are not valid until full payment of entry fees has been made. Tendering of an NSF cheque in payment of entry fees shall be considered non-payment of entry. In addition, there will be a \$25.00 service charge for each returned payment, regardless of whether the dog/handler competes in the event.
- After the closing date, refunds will only be given to competitors if a bitch comes into season or the dog is injured sufficiently to prevent it from competing. The Trial Secretary must be informed prior to Friday, December 29, 2023, @ 5:00 PM and a certificate from a veterinarian must be provided. All refunds made will be less any AAC or other administrative fees owing on the entry.

- Changes to entries (only for purposes of advancing to a higher class level) will be accepted in writing, via phone (204) 299-6421 or e-mail to agilityinmanitoba@gmail.com up to one week prior to the trial, for those dogs that finished titles at shows held after the closing date. Changes will be accepted only for entries received by the published closing date.
- All entries will be confirmed via email only where a valid address is supplied. If supplying an email address please ensure that it is valid and legible. If you don't have a valid email address and want your confirmation, please ask a friend to receive it for you.
- No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, Acts of God, public emergency, and act of public enemy, or any other cause beyond the control of the organizing committee.
- We will accommodate handlers running more than one dog to the extent possible. Running order will be determined at the club's discretion. Any dog and handler not present for their run when their name is called may be ineligible to run, unless prior arrangements are made with the gate steward.
- No food, toys or any other aids or devices shall be permitted on the course at any time. Toys and food shall not be permitted within 10 feet of the ring. Please be considerate of competitors and refrain from using clickers or squeaky toys while a dog is in the ring. (For FEO runs, toys will be allowed in the ring.)
- All dogs must be penned, crated or leashed when not in the ring, and may not be tied to any obstacle, permanent or temporary, anywhere on the grounds of the trial site. Dogs are not to be left unattended unless appropriately crated. Please take responsibility for your dogs and children. Any exhibitor whose dogs or children create unnecessary disturbances or engage in unsafe or disruptive behavior may be asked to leave the trial site. There will be no refunds for entries if an exhibitor is dismissed from competition for any reason.
- Competitors must keep the crate and exercise areas clean. Please pick up after yourself and your dog.
- Bring your own lawn chair. Kenneling will be outdoors. You may leave your belongings at the show site at your own risk.
- There is no smoking permitted anywhere on the premises. Please smoke in your vehicle.

PLEASE NOTE: Abuse, in any form, of the volunteers, competitors or the judges will NOT be tolerated. Anyone disrupting the trial due to poor sportsmanship or abusive behavior will be DISMISSED from the Trial, no fees will be refunded, and any legs earned to that point will be null and void. Let's remember that this sport is FUN for the dogs, competitors, judges and volunteers!

Leash Options:

1. There will be a leash runner at the trial.
2. You also have the option to run with your leash in your pocket. It must be small enough to fit in your pocket without showing or falling out. If your dog sees your leash and interacts with it, the run will be scored as an "E" (toy in the ring). We ask that if you choose this option, you are able to remove the leash and store it in your pocket in a timely manner.

Bitches In Season

AIM will be allowing Bitches in Season (BIS) to compete at our trials this year as per Appendix F of the AAC Official Rules & Regulations, which has a Pilot project allowing BIS to compete with restrictions until December 31, 2023. The Trial Committee felt that this rule will become permanent with AAC due to the support it is receiving at trials across Canada, so it is a good time to implement it here. Owners of BIS and other competitors need to familiarize themselves with the rules applying to them, that notwithstanding, below are the highlights of the rules applying to BIS at AAC trials:

- Handlers must notify the Trial Secretary that they will be running a BIS as soon as it is known to them;
- Handlers must minimize exposure of their BIS to other dogs and limit their movement about the grounds;
- Handlers with a BIS may still opt to receive a refund of their entries and not compete;
- Competitors will be notified that there is a BIS on site;
- Competitors will provide a protective mat for use at the start line.
- BIS will run at the end of the class (in a group if there is more than one);
- "BIS" will be noted next to the dog's name on the gate sheet so that other competitors, the judge and the ring crew are aware;
- BIS will be provided and expected to use a separate potty area;
- BIS must wear protective panties at all times (including running on course), except when they are within the designated relief area.
